ACADEMIC EXCELLENCE, AMAZING EXPERIENCE.

Part of the Trinity family of academies and schools

A welcome from the Principal

I am delighted that you are interested in working at our inimitable academy. Trinity Academy St Edward's opened our doors in September 2021 to our founding cohort of students. This is an exciting and truly unique opportunity to be a key part of shaping the academy's journey from the early conception. The academy is part of Trinity Multi Academy Trust and we will be very fortunate to benefit from outstanding support, guidance and resource from our highly successful trust. While benefitting from being part of this family we will continue to embed our culture and ethos from the start, ensuring every child achieves academic excellence and has an amazing experience.

The academy will serve communities from across Barnsley and no matter the starting point of our children we will raise their aspirations and change their futures by achieving outstanding outcomes and creating lifelong memories. Our broad and balanced curriculum, with a STEM focus, will open our students' eyes to what the world can offer, and genuinely wide ranging extra-curricular experiences will dovetail this.

This is a very exciting and once in a lifetime opportunity to plan, design and embed an inspiring, challenging and ambitious curriculum. The successful applicant will lead the development of teaching, learning and assessment in Geography. They will be either a current or aspiring leader with the drive and dedication to make Geography an integral part of our curriculum.

Alongside developing the curriculum, they will lead extra-curricular activities to further enhance our students' experiences and they will be part of the team that officially moves into our £25million, 18-acre new build in September 2024. This really is a once in a lifetime opportunity to help shape the future of children's lives in a warm, welcoming and child focused setting.

We are looking for an outstanding colleague with an unrelenting drive to improve the life chances of our children. You will have a secure subject knowledge and demonstrate a clear passion and enthusiasm for your subject. Inclusion is at the heart of all we do at Trinity Academy St Edward's and as an outstanding classroom practitioner you will champion all of our children and use your skills, experience and craft to alleviate any barriers to learning.

I am delighted and privileged to lead the academy and serve the communities of Barnsley. I am passionate about the future of the academy, its staff and students, and the change that we can make to the lives of the people of Barnsley. Our values of respect, honesty, empathy and responsibility will embody all we do in creating a happy, successful and ambitious culture at TASE.

Mark Allen

Principal

Trinity Academy St Edward's

Due to an increase in population in Barnsley, particularly in young people of school age, the need for a new secondary school is prevalent. In 2019, Trinity Multi Academy Trust was selected by the Department for Education as the sponsor for a brand-new school.

Trinity MAT is proud to have transformed the life chances of thousands of students across its existing academies, and we are equipped and eager to do the same for those in Barnsley. Our MAT core values of Empathy, Honesty, Respect and Responsibility run through all aspects of academy life. We welcome students of all faiths and none, these values relate to everyone regardless of faith or background.

Drawing from the success and expertise of organisations across our high performing MAT, we will ensure that children are supported both academically and pastorally to secure the brightest of futures.

Our secondary schools consistently achieve academic results which place them in the top 10% of highest performing schools in the country and receive national and international recognition for the quality of their provision. This success will be replicated at Trinity Academy St Edward's where every young person will benefit from outstanding teaching and an inspirational curriculum.

'An academy where ALL are respected and valued.'

We are a courageous, resilient and positive community rooted in hope, aspiration and excellence. Together, we enable each other to be the best we can be.

"The one who gets wisdom loves life; the one who cherishes understanding will soon prosper." Proverbs 19:8

CORE VALUES

EMPATHY

If we are to truly be an inclusive community where we care for one another, we must understand the challenges we face. We show an understanding of emotions and why certain emotions may be shown, we then work together to help our community overcome any barriers they face.

HONESTY

We are honest about our actions and aspirational for ourselves and others. We are not perfect, and we will make mistakes from time to time. We own up to these; we are honest about our actions and then we learn from them. If we are to be trusted and given responsibility, then we must be honest in our actions and behaviours.

RESPECT

We respect each other's views and ways of life; we respect the differences we have, but also our individuality. We respect the adults in the academy. Rules are made to keep us safe, to help everyone to learn, and to keep our academy a purposeful and enjoyable place to be. Respect is paramount in the classroom, in our building and our community.

RESPONSIBILITY

We are all responsible for the way we act, how we learn and the way we try to be the best we can be. A responsible student will succeed, and a responsible member of the community will be well respected. A responsible member of our community will stand up for one another and speak out against prejudiced views and challenge unacceptable behaviour towards one another.

Our brand-new school designs. Opening September 2024. Located on Keresforth Close, off Broadway.

Wellbeing Charter

As a Trust, we recognise the value of promoting wellbeing across all of our academies and so have developed our own Trinity Employee Wellbeing Charter. This document evidences our commitment to the wellbeing of all and provides examples of how being part of Trinity MAT not only improves your skills and experiences as a professional but will also boost your wellbeing.
