1. Purpose of policy and guiding principles

- 1.1. This plan examines potential risks and issues that could cause disruption to the management and administration of the exam process at trust sites and examination centres. By outlining actions and procedures to be followed in case of disruption it is intended to mitigate the impact these disruptions have on our exam process.
- 1.2. In each academy there will be an appointed 'Exams Officer'. This role may undertake other duties, but will report to a Senior Leader and be responsible for the administration and management of the exams processes.
- 1.3. In each academy there will be a 'Deputy Exams Officer' or equivalent. This will be someone who has sufficient knowledge to undertake the role of 'Exams Officer' during their absence. Support will be provided from trust resources to ensure that, in the absence of an Exams Officer, sufficient knowledge of the process is available from other trust sites.
- 1.4. In each academy there will be an appointed Senior Leader who has within their duties and responsibilities management of the exams processes.
- 1.5. In each academy there will be an appointed Senior Leader who has within their duties, responsibility for the curriculum. This isn't necessarily the same Senior Leader as 1.4.
- 1.6. At all times, the centre Examinations Officer and Senior Leader responsible will liaise with the relevant Awarding Body to ensure any contingency plans meet with its requirements and that JCQ regulations are adhered to where possible.
- 1.7. Alongside internal processes, this plan is informed by information contained in the joint contingency plan for the examination system in England, Wales and Northern Ireland where it is stated that *"Centres should prepare plans for any disruption to examinations as part of their general emergency planning. It is important to ensure that relevant centre staff are familiar with the plan. Consideration should be given as to how these arrangements will be communicated to candidates, parents and staff should disruption to examinations occur."*
